TM-T88VI

## ENGINEERED FOR BUSINESS

### High Productivity

Class-leading print speed of 300 mm per second that minimises waiting time; coupled with paper saving technology.

### Ease of connectivity

Beacon and NFC support along with Server Direct Prints offer the simplest ways to detect and connect with the printer.

### Simple Integration

Maintain a traditional set-up, or easily migrate to a tablet or web-based solution without losing access to established systems.
