Work Smarter

Increase efficiency with fast print speeds of up to 34ppm⁹ that help you work smarter. The 2-sided (duplex) print, high-capacity input and output tray saves you time, enabling you to get on with other tasks.

Effortless

Make your day easier and your printing tasks effortless, with simple set up using the Brother Mobile Connect app, enabling you to print documents from your mobile device⁷. Make the most of fast Ethernet, 2.4GHz/5GHz Wi-Fi or USB connection.

Compact and Expertly Engineered

Designed by experts, our most compact, professional monochrome printer delivers high-quality outputs every time, allowing you to make the most of your office space. Every component has been optimised to reduce the overall size of the device without compromising on performance. With easy paper access, this device has been developed for high print volume to meet the needs of a busy home or small office.

Print Longer

The HL-L2865DW keeps your printing costs down using a separate drum and toner unit, and the generous 1,500 page¹¹ in-box toner supports your higher print volume needs. Toners are easy to change with a super high-yield replacement toner available to print up to 5,000 pages¹¹, reducing your frequency to replace.

Secure by Design

To keep pace with the ever-evolving legislation on privacy and data security, our devices offer the latest industry-standard security features to securely protect your data. The HL-L2865DW provides a range of robust features including triple-layer security at a device, network and document level which is verified through external security certification. This offers added peace of mind and guarantees that the integrity of your data is maintained at every step.

Make printing simple with Brother MPS

Managed Print Services (MPS) supports you to get the best out of your devices - that's why the HL-L2865DW has been designed with MPS in mind. Whatever your printing needs, we'll be at your side to find the solution that simplifies printer admin, saves time, keeps costs down, and helps you stay productive, by partnering with our national MPS partner network to deliver a service that's fit for your business.
