Thin, Small, Light Universal Scanner, Dot Code and Passport Reader - Great for one-handed solutions

The Socket Mobile D860 is a durable, fast-scanning barcode scanner and passport reader with Bluetooth[®] wireless technology. It reads all of the most popular 2D barcodes, DOT Code, OCR, MRZ/passports, and travel IDs. Users can scan barcodes printed on labels or displayed on screens. Combining barcode scanning and alphanumeric data, it is perfect for the travel industry, retail point of sale, inventory management, sales order entry, field service, and other mobile business applications. Merchants can scan barcodes of products and the passports of consumers with one device. Designed for mobility, durability and lasting up to two shifts. The external rubberized material increases drop protection. The D860 slips neatly into your pocket and fits comfortably in the palm of your hand when attached to a smartphone. Easy to use, the scanner is attachable to mobile devices, enabling one-handed operation.
